

Special resolution

2022 AGM

7.1 Removal of members who cannot be contacted

Over a two year period Congress has received returned mail from the following members and has not been able to contact the following members. Membership may be cancelled by a special resolution at a general meeting under rule 3.7 of the Congress rule book if Congress has made two or more reasonable attempts to contact a member over a two year period.

Your membership is valuable to Congress.

If you are on the list below and do not wish to have your membership cancelled, OR If you see someone on this list that may still be eligible for membership, updated member details can be provided by emailing governance@caac.org.au or calling (08) 7928 8142. Congress would prefer to keep you as a member and update your membership details than to remove you from the membership list.
