

Call podiatry mob or your health service if you have any worries about your footwear

Good shoes can protect our feet from damage

Like treading on prickly things

And when it's hot you might wear sandals

## GOOD FOOTWEAR

**Our mob have been leaving healthy footprints on Country forever, but we still gotta look after our feet**

But we have to watch our shoes don't rub our feet and make sores

You might not wear shoes for cultural business

It's good to wear socks with our shoes
